

## **Omni Táxi Aéreo opens applications for Maintenance Technician Internship Program**

*Vacancies are distributed among five cities in the state of Rio de Janeiro*

Omni Táxi Aéreo is open for applications for the 2025 Maintenance Technician Internship Program. The selection process offers 20 vacancies distributed among the company's main bases located in: Barra da Tijuca, Maricá, Cabo Frio, Macaé and Farol de São Tomé (Campos dos Goytacazes).

To take part, candidates need to be registered on high school technical courses in the areas of Mechanics, Electromechanics, Mechatronics, Electronics and Automation. They must be available for a one-year contract.

The selection process includes tests in English, Excel and Logical Reasoning, as well as an interview with the Human Resources team. In addition to the scholarship, trainees receive Food Vouchers, Meal Vouchers, Medical Assistance and Transport Vouchers. Applications are open from April 11 to 24. The registration [link](#) is available on the Omni Táxi Aéreo website, under the Work with Us tab.

The program aims to develop young talent for the aeronautical maintenance area, providing practical experience in a company recognized for excellence and safety in offshore operations.
